

NATURE CAMP FOUNDATION FY 2014 ANNUAL REPORT

Mission: The Nature Camp Foundation exists to provide financial, material and service support to Nature Camp through the focused efforts of the camp's friends and alumni.

THE NATURE CAMP FOUNDATION 2014 ANNUAL REPORT

The Year in Review

2014 saw the celebration of the 25th anniversary of the Nature Camp Foundation. Through generous financial and volunteer contributions, the Nature Camp Foundation (NCF) was able to provide \$38,000 in direct financial support to Nature Camp for capital equipment, materials used at Service Weekends, and scholarships. Major purchases included the replacement of large kitchen equipment, a canteen freezer, and an automatic external defibrillator to enhance camper safety. The NCF also provided the equivalent of twelve full camper scholarships. Volunteer labor provided to Camp during three Service Weekends equaled or exceeded the Foundation's 2014 financial contribution to Camp. Over 130 individuals participated in one or more Service Weekends. Principal Service Weekend projects comprised replacing the Girls T-House and Educational Building roof sections, reinforcing floor joists, repairing siding on the library side of the Educational Building, and improved drainage around buildings throughout Camp.

These contributions, combined with those of Garden Clubs and other generous scholarship providers, ensure that youth from all backgrounds have a high quality, meaningful Nature Camp experience. Of the 336 youth who came to Nature Camp in 2014, 157 (46.7%) received some form of financial assistance. Additionally, Nature Camp tuition remains well below the national cost average of a two week residential camp.¹ At the same time, Nature Camp continues to offer a high quality experience, investing in areas central to its mission. For example, Nature Camp has kept pace with the local food movement, over 63% of food dollars were spent on items grown, raised, or produced within 150 miles of Nature Camp.

In November 2013, the Nature Camp family lost Gus Deeds, one of its brightest stars. To celebrate Gus' life and the traits he embodied, the Nature Camp Foundation, in partnership with the Deeds family and Nature Camp, Inc., established the Gus Deeds Memorial Fund to build an outdoor teaching pavilion and to establish a scholarship in Gus's name. The pavilion will fill a key need for covered classroom space, will serve as a gathering spot for campers and counselors during recreational periods, and it will provide a prominent and permanent reminder of Gus's influence at Nature Camp. The scholarship will provide opportunities for returning campers to receive much-needed financial assistance. By the end of 2014, the NCF raised 72% of its \$50,000 goal and completed site plans for the memorial pavilion. The pavilion is slated for construction in April 2015 and the first memorial scholarship will be awarded in the summer of 2015.

Significant administrative activities were completed this year to ensure that the Nature Camp Foundation has the needed systems in place to stay connected with the Nature Camp community and to meet long term goals. The Nature Camp Foundation worked with Nature Camp, Inc. to establish new business processes to ensure ongoing monitoring of facilities, facility maintenance, and funding. Using depreciation schedules and financial reports, a thirty year facilities replacement schedule was developed to assist in forecasting future expenses and fundraising needs. A grant process was implemented to facilitate planning and to improve operations. The NCF Board now requests, reviews, and approves an annual grant proposal from Nature Camp, Inc. which includes projected major expenses for the next three to five years.

¹ Tuition for 2014 was \$815 for two weeks. Based on ACA 2012 data, if Nature Camp charged the average cost per day for a residential camp, tuition would be \$1372.00.

THE NATURE CAMP FOUNDATION 2014 ANNUAL REPORT

The Nature Camp Foundation also invested in and set-up a new communications and fundraising management software (Blackbaud eTapestry™) to support greater engagement of the Nature Camp family.

These systems will assist the Foundation in maintaining relationships with campers and their families from their last year in first session to when their grandchildren come to Camp for the first time. As part of this enhancement, we have increased electronic communications and provided the option for members to opt out of print mail. We will build upon these refinements in the coming year and utilize them to support Nature Camp in developing a long range financial plan for Camp and a corresponding development plan for NCF.

A key tenet of our Foundation is building and supporting the Nature Camp community. Gatherings throughout the year brought campers, families, and alumni together. On May 3, 2014, the Nature Camp Foundation sponsored a celebration of the life of Gus Deeds at the Nature Camp Chapel with over a hundred people in attendance. On May 17, 2014, we honored the service of Powell Hutton and his nine year tenure as President of the NCF. The celebration commenced with toasts and dinner and ended with cake, ice cream and a contra dance with dancers ranging in age from eight to eighty. In September 2014, we officially celebrated the 25th Anniversary of the NCF with an Afterglow article by Katie Hoffman and an after-dinner presentation at the fall Service Weekend by Nancy Lowry. Finally, we closed out the year with Fall Hike Day which served as another wonderful, community-building event that raised funds for the NCF.

This work (and fun) would not be possible without the generous support of the Nature Camp community. In 2014, 516 donors gave to the Nature Camp Foundation either through volunteer or financial contributions: a 49% increase over 2013. Donations to the NCF amounted to over \$105,000. NCF investments continue to perform well. At year end, the Legacy Account, a fund supporting the long-term operation and mission of Nature Camp, held \$409,000, up \$22,000 from a year earlier and a 24.6% gain since 2012. The Scholarship Account, designed to provide a long-term source of financial assistance to campers, totaled \$79,000 at year end, and has enjoyed a 15.4% gain since 2012. The third and most active NCF account is the Operating Account, closing out the year at near \$75,000, and including \$43,152 restricted to the Deeds and Craig funds.

Nature Camp also continues to be blessed with strong Nature Camp, Inc. and Nature Camp Foundation leadership. Nature Camp, Inc. President, Amy Kasdorf Gonzalez and Executive Director of Nature Camp, Flip Coulling, continue to provide dedicated, sound leadership to Nature Camp. At the conclusion of 2014, Art Maguire, NCF Service Weekend Chair, Lucas Gillenwater, NCF At-Large Board Member, and Mike Meads, Nature Camp, Inc. Treasurer, stepped down from their respective board positions. We are grateful for their service. We are also delighted to welcome their 2015 replacements: Corey Basham, NCF Service Weekend Chair, Graelyn Brashear, NCF At-Large Board Member, and Ben Rottenborn, Nature Camp, Inc. Treasurer.

Respectfully,

Annie White, NCF President

THE NATURE CAMP FOUNDATION 2014 ANNUAL REPORT

Excerpts from 2014 Woodland Echos:

Sounds I'll Miss

By M. Keppel (Second Session)

I think that forever the sweet tune of "Thinking of Tomorrow" will be impressed upon me. It might take awhile to clear my ears from ringing after singing "Rise and Shine." And don't think that I'll soon forget "Country Roads" or "Wagon Wheel" either. But the sounds I'll miss the most are not those, but the sounds of nature's sweet harmony. At night I will miss the sound of the whippoorwill. In the morning I have to search to hear the woodpeckers' drum and the spring peepers' brass. No creek rushes to greet me, bubbling and laughing. No beautiful trees whistle to me or sway in the breeze. There's no thick layer of leaves to echo the sounds of a snake. No longer can I hear the merry June bug or see the iridescent damselfly every day. Even the familiar buzz of the cicadas is missed. Together they sound like Camp to me, a home I'll never forget.

O McClung Did I Fear

By S. Edmonds (First Session)

O McClung Did I Fear
But no longer do I fear my dear

I have now conquered that hike
You couldn't do it with a bike

The fascinating sights gave me chills
So much better than those fake frills

McClung was a spectacular sight to see
Or maybe it just felt that way to me

But no longer do I fear that mountain up so high
When I hear its name never again will I sigh

For I have officially completed that trip
And in the end my pants got a rip

Whetstone Ridge

By Z. Averett (Fourth Session)

Ouch! That's all I heard during this hike. Whetstone was awesome! Other than the 3 bald faced hornet nests, stinging nettle, uphill climb, and bushwhacking, we had an awesome time! We were singing the entire time, the trail mix was awesome, and the squishies were definitely squished. To be honest, Whetstone Ridge wasn't very wet. But it was pretty hot. I don't know about your hike but ours smelled pretty bad when we got back. Whetstone Ridge was a hike that was right on the border of torture but still pretty awesome.
