

## NATURE CAMP FOUNDATION FY 2015 ANNUAL REPORT

**Mission:** The Nature Camp Foundation exists to provide financial, material and service support to Nature Camp through the focused efforts of the camp's friends and alumni.

# THE NATURE CAMP FOUNDATION 2015 ANNUAL REPORT

## The Year in Review

2015 was another strong year for Nature Camp and the Nature Camp Foundation due to the support of the Nature Camp Community – campers, staff, parents, alumni, board members, foundations, garden clubs and other community organizations.

The Nature Camp Foundation contributed to Nature Camp in the following key areas in 2015:

- Financial and In-Kind support for facilities improvements
- Gus Deeds Memorial Pavilion and Scholarship
- Camper Scholarships (including Gus Deeds Memorial Scholarship)

The Nature Camp Foundation provided \$26,925 in direct financial support to Nature Camp for capital equipment, and materials used at Service Weekends. Capital improvements in 2015 included 50 new mattresses and rails for the upper bunks, a stand mixer and table-mounted can opener for the kitchen, LED lights and fixtures for the bunkhouses, t-houses, and LS, and an automatic chlorinator for the pool.

The Nature Camp Foundation recruited, fed, and coordinated the efforts of volunteers at two Service Weekends in 2015: May 14-17 and September 17-20. Principal projects at these weekends comprised replacing the final section of the roof on and reinforcing floor joists underneath the Educational Building, replacing the roof of the garage, replacing siding on the Staff House, constructing a platform for the new internet satellite dish, repairing screens, and coating the siding of several buildings with wood preservative. 106 individuals attended one or more service weekends in 2015. The work completed by volunteers saves camp tens of thousands of dollars each year. And, we all manage to have a great time during service weekends as well.

Using funds donated to the Gus Deeds Memorial Fund, the Nature Camp Foundation provided \$28,035 to complete the Gus Deeds Memorial Pavilion last spring. The pavilion already has become a central place in the daily life of Camp with rarely a class or recreation period when it is not in use.

The NCF provided the equivalent of 6 full camper scholarships, including the Gus Deeds scholarship. These contributions, combined with those of Garden Clubs and other generous scholarship providers, ensure that youth from all backgrounds have a high quality, meaningful Nature Camp experience. Of the more than 350 youth who came to Nature Camp in 2015, 124 (35%) received some form of financial assistance.

All of these activities are undertaken to ensure that camp continues to offer meaningful environmental education to youth and adults. Camp continues to thrive due to these contributions. Camper enrollment exceeded expectations for both

# THE NATURE CAMP FOUNDATION 2015 ANNUAL REPORT

youth and adult sessions. Enrollment for youth sessions was up 15% compared to 2014, exceeding 350 for only the fifth time in Nature Camp's history. Adult session had a record attendance in 2015 with 75 attendees.

In 2015, the Nature Camp Foundation completed the upgrade of its email and constituent management system to better support the Foundation in staying in touch with members of the Nature Camp community. The benefits of this new systems already are visible: individuals can now update their contact info on the website; online voting for board positions was launched this fall, and individuals can now sign up for email communications and opt out of print publications. NCF already has experienced the benefits of this change including a 44% increase in the number of donors to the annual fund since 2014.

In addition to the hard work, as always, we also had a lot of fun. The Nature Camp Foundation hosted a reunion in May 2015. A total of 88 people, representing campers from all seven decades of camp, joined in the fun over the course of three days.

While donations were up NCF investments followed the market, experiencing losses in 2015 yet experiencing a net gain since 2013. At year end, the Legacy Account, a fund supporting the long-term operation and mission of Nature Camp, held \$398,849 a 21.95% gain since 2013<sup>1</sup>. The Scholarship Account, designed to provide a long-term source of financial assistance to campers, totaled \$79,025, a 20.31% gain since 2013. The third and most active NCF account is the Operating Account, closing out the year at \$92,989, and including \$50,838 which is being used to establish Deeds and Craig scholarship accounts. Funds will be transferred to these new scholarship accounts by the time this annual report is issued.

Nature Camp continues to be blessed with strong Nature Camp, Inc. and Nature Camp Foundation leadership. Nature Camp, Inc. President, Amy Kasdorf Gonzalez and Executive Director of Nature Camp, Flip Coulling, continue to provide dedicated, sound leadership to Nature Camp. At the conclusion of 2014, Graelyn Brashear, Emily Richardson, Sarah Hulcher Lucas Gillenwater, Chuck Story, and Paul Cabe stepped down from their respective board positions. We are grateful for their service. We are also delighted to welcome their 2015 replacements: Elizabeth Knapp, Stacey Lucks, Ana Edwards, and Louise Bowling.

Respectfully,  
Annie White. President, Nature Camp Foundation
