The Year in Review

In 2021 the Nature Camp Foundation and Nature Camp, Inc. began to emerge and look toward a few more normal activities. There were, for the second year, no Service Weekends, and Reunion was yet again postponed. However, we did have a Fall Hike Day!!! Nature Camp, Inc. was able to hold in-person summer camp sessions for both youth and adults, even if in a modified format – but the sounds of laughter and learning did return to Camp this past summer. These steps back to some sense of normality have gladdened our hearts and we hope to see folks able to gather more and more along the shores of Big Mary's Creek in the coming year(s).

The Nature Camp Foundation experienced another year of strong donor support. Our Nature Camp family continually amazes us with your generosity, and we are deeply grateful for all the support you all have shown throughout these past couple of very odd years. Our continued ability to support the mission of Camp and provide much needed financial support in many areas is due to the unwavering support of all of you – campers, parents of campers, staff, alumni, volunteers, garden clubs, foundations, and other community organizations. Camp was able to fully enjoy the completed Education Building this past summer and staff and campers have given very positive reviews of the increased functionality and feel of the spaces. And we are sure the new septic system for the Girl's Thouse was appreciated in that it was not noticed at all over the summer!!

In 2021 your support exceeded the annual fund goal set by the NCF. These funds allowed us to support Nature Camp in these key areas for 2021:

- Capital improvements around Camp including a new kitchen floor and repairs to the walk-in refrigerator.
- Covid 19 testing for all summer sessions.
- Funding for completion of the Education Building Renovations.
- Health and Safety equipment including soap and hand sanitizer dispensers, box fans for the bunkhouses, air purifiers, and an electrostatic sprayer and disinfectant.

The Nature Camp Foundation is continually working to streamline and cleanup our constituent management system, eTapestry, which continues to provide a much-needed functionality to facilitate staying in touch with members of the Nature Camp community, and to allow us to track and acknowledge donations and in-kind service. The newly implemented Merchant Services module has made it markedly easier to accept, track, and acknowledge online donations.

The NCF is in strong financial shape, ending 2021 with net assets of \$1,370,351. Our investments followed the market, experiencing gains in 2021. At year end, the Legacy Account, a fund supporting the long-term operation and mission of Nature Camp, held \$792,540. Our scholarship accounts, which provide a long-term source of financial assistance to campers, were valued as follows: The Gus Deeds Scholarship Account at \$73,210, the Stuart Craig Scholarship Account at \$32,014, the Emma Nicholas Scholarship

Account at \$12,933, and the NCF Scholarship Account at \$251,718. And we ended the year with \$126,146 in operating funds. NCF created a new account in 2021 to hold funds in reserve for expected upcoming capital improvements at Camp. This fund is currently valued at \$38,394. The Education Building Fund still holds \$11,468 and these funds are earmarked to aid Camp through the establishment of a Curatorial Fund that will provide ongoing funds for the care and maintenance of the Museum collections. We are in good position to aid Camp moving forward as new capital improvements have been identified and will be tackled in 2022.

Nature Camp continues to be blessed with dedicated and strong volunteer leadership on both the NCF and NCI Boards. NCF offered a slate of officers in our recent election. We said a fond farewell to Amy Clark, who has served for many years as the NCF Treasurer, and to Louise Bowling who finished her last term as NCF Secretary. We are excited to welcome Peggy Layne as our new Treasurer and Emily Montgomery as our new Secretary. And we welcome back for a second term our At-large board member Jason Farr. The work that these folks do on behalf of the Foundation and for Nature Camp is at times herculean. Please thank them, give them hugs now that we can do that, and let them know how much they are appreciated.

As always, we must recognize the continuing and invaluable contributions of the members of the Nature Camp, Inc. board and of Philip Coulling, the Executive Director of Nature Camp and Ventry Smith, Nature Camp Caretaker. Katie Hoffman ended her last term as NCI President and Corey Basham has stepped up to fill her shoes. NCI also said farewell to Stacy Luks as she ended her terms as Director of Publicity/Promotions and welcomed Claire Still to the board. Carolyn Wine was welcomed to the board and has assumed the role of Director of Facilities vacated by Corey. These folks, especially the past couple of years, have gone above and beyond giving so much to assure the continued viability of Nature Camp now and well into the future. It is their leadership that sustains the wonderful tradition of the Nature Camp experience.

Respectfully, Nell Fredericksen President, Nature Camp Foundation
